**DEBT
DOESN'T
JUST**

AFFECT THE YOUNG!

DO YOU NEED OUR HELP?

Aire Valley Homes Leeds are entering into an arrangement with the Leeds Older People's Forum to provide a service to our older customers. The service will provide a safe, confidential officer to help untangle your money worries.

The officer is an expert at advising on the management of debt and how to approach a resolution. They will also be able to advise you if you are eligible for any benefits to assist you.
